

INSTRUCTION FOR AUTHORS

Paper Submission implies:

- a paper is in the electronic format
- it has not been published elsewhere
- it is not being reviewed for publication elsewhere
- it has not been submitted or accepted for publication elsewhere, in any language

Manuscript Preparation:

Language: Serbian and English

Letter: Serbian (Cyrillic) and English (Latin)

Manuscript example: To write a paper, use the example contained in the 02_Template ZRGFS.doc.

Additional Notes:

- **Nomenclature:** Any symbols, letters and abbreviations used in the paper need to be duly explained
- **Units:** Please use the International System of Units (abbreviated SI)
- **Acknowledgments and thanks:** can be used in the paper but only as footnotes and should be reduced to the minimum
- **Additional information:** All papers shall be reviewed by at least two independent reviewers. The final decision on a paper publication shall be made by the Editor in Chief

Conference Reports: a paper reported at the scientific and professional gathering can be published in its original format, or the author in agreement with the Editorial Board may decide to rewrite and broaden it.

In order to speed up the acceptance to publication procedure, the authors are kindly requested to respect the given guidelines from the Instructions for Authors file.

**No scientific paper should be longer than 12 pages.
Exceptionally, an invited paper can be 24 pages long.**
